

Calling for Historical Marker Creations

The Town of Gilbert has asked the Historical Society to prepare a proposition for potential areas that could be recognized as a historical site. They are calling for proposition papers on the relevance of the Water Tower in the downtown area. Please, identify the reasons that the Water Tower should be marked with a historical marker. Remember that you are limited to 100 words, and that an illustration of the completed marker must be included in your submission. A justification for your ideas based on your research should be included with your application. Remember to use textual evidence to support your decisions to what to include in the text of the marker.

Submit your creation to before midnight, August 7, 2015

Gilbert Historical Society – Historical Marker Competition

Names: _____

School: _____

Teacher: _____

Class Period _____

Historical Landmark: _____

Reason for justifying symbol for inclusion as a location worthy of a historical marker.

(Please upload your justification into this space)

Exact Wording for the Historical Marker

(Please upload your text into this space)

Graphic Example of how you wish the marker to look.

(Please upload your illustration into this space)
